

REFUND/NSF POLICY

REFUND POLICY

Requests for refunds must be made in writing to KSYSA administration. The '*Request for Refund*' form can be found at the bottom of the '*Registration*' page, on the KSYSA website.

Refunds will be given when requests are made in writing to KSYSA administration no less than 7 days prior to the first day of the program.

Refunds are subject to a \$50 administration fee.

No refunds will be given after the program begins, except due to injury. Refunds due to injury will be provided once KSYSA administration receives a letter from the doctor noting the date of the injury. Refunds will then be pro-rated, less \$50 administration fee, from the date of injury.

Refunds are only given to players cancelling registration for the purpose of not returning to their program.

NSF CHARGES

Members will pay a \$50 fee for any NSF.
