

KSYSYSA Kickstart Fund

KSYSYSA will be starting up a financial aid program called the KSYSYSA Kickstart Fund. It will be an additional support to the financial aid programs that are available to families in BC. Our aim is to provide financial support for KSYSYSA players and coaches who otherwise may not have the financial resources to afford basic fees and would not be able to participate or coach in soccer for the season.

We are currently building up the fund through donations. If you would like to donate please contact KSYSYSA administrator at ksysaregistrar@gmail.com. In the meantime, families are encourage to continue to apply to the financial aid organisations:

1. Athletics 4 Kids

Applying for the KSYSYSA Kickstart Fund

If you require financial assistance for any of our programs, before contacting us, please review the financial support available through our partner programs in the links below. Our goal is to ensure all kids can play, and financial barriers do not keep them off the field!

Only one application per player per season may be submitted. More detailed information is shown below.

Eligibility

Players are between 4 and 19 years of age or coaches in need.

Criteria

1. Players or coach must reside within the boundaries of KSYSYSA
2. Must demonstrate a clear financial need by applying for and being approved for one of the following financial assistance programs:
 - a. KidSport
 - b. Canadian Tire Jump Start
 - c. Athletics for Kids
 - d. Common Access Card

3. Family members will be required to participate and volunteer the same as any other KSYSA players' family.
4. KSYSA Kickstart will contribute up to a max. \$400 towards registration, team fees (and tournament / associated travel expenses).

In order to not be required to pay at time of registration, applicants are advised to apply 4 - 6 weeks ahead of the registration dates if possible. Otherwise, participants can pay the initial installment to hold their spot in registration while waiting for the application to be approved. If the funding received does not match the total registration fee due, you will be responsible for the remaining balance.
