PRE FEASIBILITY SURVEY

Winter access to indoor sport and recreation space is a challenge across our region — not only for soccer, but for many other sports, for families, and for anyone at any age who wants to stay active.

KSYSA is exploring the feasibility of a year-round, multi-sport facility, and we want to understand the needs, priorities, and hopes of our members and the broader community.

Please take a moment to share your input 🖱️

<https://forms.gle/VQX8avaBgQvNNdgA6>

And help spread the word! Share this survey with anyone in your network who would benefit from better year-round recreation space.

NEW OFFICE SPACE ANNOUNCEMENT

KSYSA is now in the Skills Centre with new office and storage space!

As our organisation grows, we want to ensure we can provide our families and volunteers with a more streamlined experience ... and less storage in their personal residences ;-)

Get in touch with our Administrator at ksysaregistrar@gmail.com if you have items in your home that you need to return!

FALL OUTDOOR PROGRAM

Our Fall Outdoor Program is completed and we want your feedback!

Our 2026 Fall program will run from August to October and will include game and tournament play!

Please let us know how we did and any thoughts you have for next Fall here:
