Registration Info

When you are ready to register your child, and registration is open, you can go to <https://ksysa.ca/register-here/>.

Remember, you can register your child in Recreation Soccer which includes Mini and Youth or Development Soccer, which includes Development or Select. All registration is based on birth year so please ensure birth year is correct and complete registration! Players U12 and up could choose to register in both Rec and Dev if they choose.

The registration form should easily guide you through the process - just fill in all the blanks and answer all the questions.

All players must register in the appropriate birth year.

KSUSA Directors will use the BC Soccer Small Sided Soccer Development Policy and BC Soccer Playing Up and Down Policy to move children out of their birth year.

Evaluations will be done in collaboration with coaches to ensure transparency in moving players with child development, fairness and safety in mind.

Recreation - Mini

Description

Our Spring Recreational mini program is divided into Beaver Valley (U6 - U10), Castlegar (U4 - U11), Rossland (U5 - U11) and Trail (U5 - U11) and provides players an opportunity to develop skills and have fun. The intent is to introduce fundamental movement skills and soccer skills at developmentally appropriate ages.

This league generally runs from May through June, kids have two field times per week, and the potential for a couple of special events (depending on volunteer commitment). Programs are divided by location with U4/5/6/7/8/9 playing at their home field and U10/11 practicing and playing at home and away fields within BV, Castlegar, Rossland and Trail.

Program starts the week of April 28th and ends the week of June 15th.

Special Events

Mini Soccer Day hosted at Pople Park in Trail and Millennium Park in Castlegar: May 28

Mini World Cup hosted at Mazzocchi Park in Fruitvale: June 20

Development / Select

[REGISTER HERE](#)

Description

Our development program is for U9 - U18 players who want to extend their season and play in tournaments.

U9- U11

The U9 - U11 age categories are development programs that introduce players to a more committed environment. The season is longer and teams attend tournaments.

U12/13

U12/13 divisions progress teams in game play and include an additional tournament. U13 may be tiered depending on registration numbers and coach availability.

U14+

U14+ age categories may be tiered teams that play to potentially compete at the Provincials. The season is longer and team attend local and away tournaments.

Practice and play locations are dependant on field availability and representation in registration.

Spring Fees

Division	Birth Year	Earlybird Fees*	Regular Fees
U9 - 11	2017/2016/2015	\$475	\$525
U12/13	2014/2013	\$575	\$625
U14+	2012-2008	\$400	\$450

Fall Fees

Division	Birth Year	Earlybird Fees*	Regular Fees
All divisions	2017-2008	\$220	\$270

The development program is a more expensive program due to the length of program and associated costs. Some of the costs include insurance, equipment, storage, game jerseys, technical direction, administrative costs, field rentals, referees etc. Additionally, the fees include registration fees for two - three tournaments.

We know that registration fees are impactful on families so we have options to help support:

- Earlybird fees : Save \$50 if you register before the deadline - applied automatically
- Instalment Payments: Select the instalment option that is appropriate for you
- Financial Aid: Access the financial aid organizations that are listed on the final page.

Communication

Communication is a hard thing!! We are working hard to make it easier!!

We communicate through the following channels:

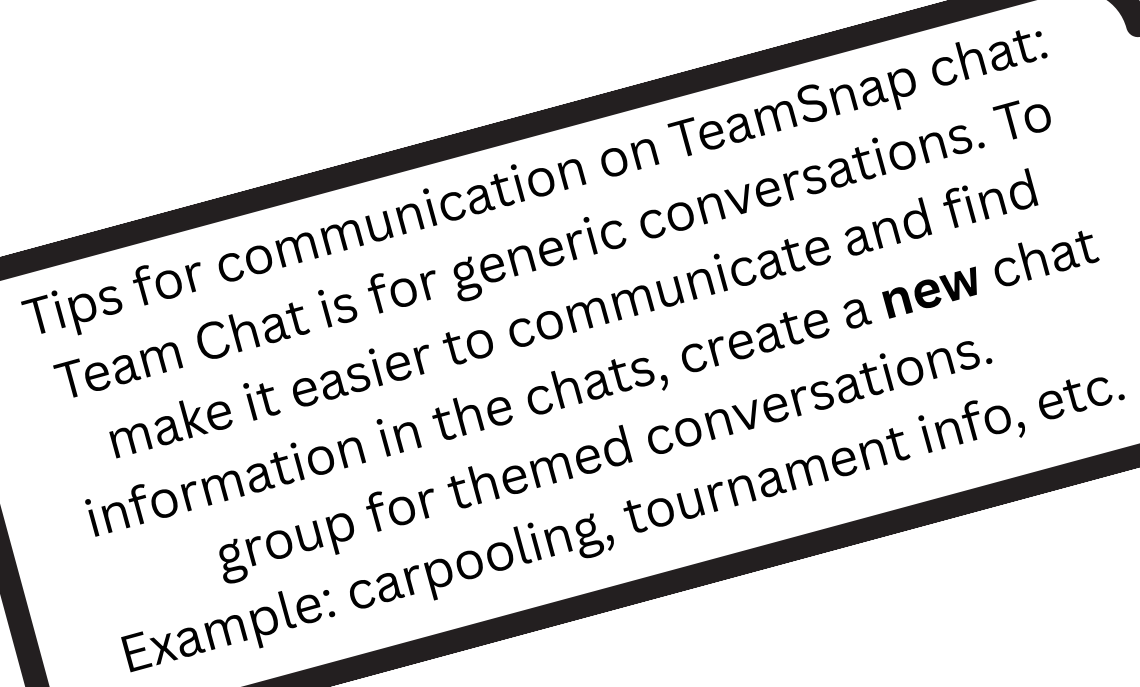

Facebook

Website

Email

TeamSnap

We create monthly newsletters (emailed from teamsnap, posted on Facebook and our website). We post on social media and link those posts to our website for families that don't access social media. We have chat enabled through our Teamsnap teams.

Tips for communication on TeamSnap chat:
Team Chat is for generic conversations. To make it easier to communicate and find information in the chats, create a **new** chat group for themed conversations.
Example: carpooling, tournament info, etc.

Girls Programs

A few years ago KSYSA started piloting girls recreation programs in Trail and found great success with it. In 2024, we formally started the U10 girls recreation league with great results. In 2025, we expanded the opportunity to all age groups in recreation and development soccer. Proceeding with this opportunity is dependent on registration numbers and volunteer coaches.

For the U6 category, as per Soccer Canada Grassroots Standards, there are no formal soccer games so the girls groups mean that the 'teams' will be formed as girls only and do their activities together at their home field - no travel.

For the U8 category, in our experience, the girls teams do not want to play the boys/co-ed teams, so the girls teams play each other. In Trail we were able to form 2 girls teams, and they played each other all season. It may have felt repetitive to the parents, but the girls were happy. If the children requested to play the boys/co-ed teams, that would be an option too. These field times are also at their home field - no travel.

For U10 girls, it is registration, field and volunteer dependant. The Rossland and Trail girls played together at Pople Park in Trail because there was no field space in Rossland. They played here twice a week with a couple of travel games to BV and Castlegar.

There is also a Mini Girls Soccer Day, scheduled for May 28 this season, where all the U8 and U10 girls groups come to Pople Park in Trail and play a bunch of mini games as a special event.

When registering, parents can choose to register their daughter in either the Girls or Boys/Co-Ed program, and if your child changes their mind we can accommodate that.

Our goal is to provide programs for all youth to have a sense of belonging, improve their skills, enjoy their time and thrive!

Canada Soccer Grassroots Standards

The Canada Soccer Grassroots Standards have been designed to create the best possible learning and development environment for young players in Canada. First introduced in 2020, the Grassroots Standards are based on Sport for Life's Long-term Athlete Development (2007) and Canada Soccer's Long-term Player Development (2008) as well as global best practice while considering the realities of Canadian soccer and will become mandatory for all member organizations (clubs, academies, districts/regions, leagues) in Canada in advance of the 2026 playing season.

In Canada, our goal is to cultivate an atmosphere conducive to as many Canadians as possible developing a passion for the ball, being skillful, with the ability to adapt and find solutions to soccer problems. To develop skillful players who are comfortable with the ball and have the technical proficiency and tactical understanding to solve soccer problems, it is essential that young players interact with the ball as often as possible by fostering an environment that maximizes one-on-one encounters, quick decision making, and final acts (goals, shots, crosses).

	3. Respect in Sport Activity Leader Program					
	* These coach qualifications represent the minimum standard for the Grassroots Streams. Member Association may require the requirements above their jurisdiction.					
Player to Coach Ratio	UK: One with One (1:1) with small informal play UK: Ideal: 4:1 with informal play	UK: 4:1 Maximum 9:1	UK: 8:1 Maximum 10:1	UK: 12:1 Maximum 15:1	UK: 16:1 Maximum 18:1	
Principle:	Children register to play soccer, not to watch others play in speed time training. Teams should play for full playing time and limit time on the bench at youth level coaches.					
Playing Time and Position	N/A	Eight Playing Time for All Players (Coaches should target a minimum of 50% playing time for each player) Players Try All Positions				
Team Travel Time	Within organization		Under 45 minutes each way			
	Principle: Talent identification and selection should be delayed as long as possible to ensure all players have the opportunity to develop their skills and abilities.					
Grouping Players for Match Play	Based on age, "Open Roster" that allows the movement of players between teams on a regular and ongoing basis. Teams cannot be formed using try-outs or other similar evaluation methods. Training of players is not permitted before U11.					
Select Teams	No provincial/territorial or regional select teams before U16.					
Principle:	Match results should not be the focus of grassroots soccer as this restricts player development and negatively impacts the player experience.					
Scores and Standings	N/A	No scores or standings				
Scores and Standings in Tournaments	N/A	No				
		Permitted but not preferred

Long Term Athlete Development

LTAD is a scientific model for periodized athlete training and development that respects and utilizes the natural stages of physical, mental, and emotional growth in athletes. Like the LTAD program, LTPD is designed to:

1. Promote lifelong enjoyment of physical activity.
2. Provide a structured player development pathway.
3. Describe best practices for elite player development.
4. Create long-term excellence.

Whether you play in Grassroots Organizations, Adult Leagues, or BCSPL, the overarching philosophies should always be consistent; experiences are positive, training is age-appropriate, and environments are safe and inclusive.

Step One

Criminal Record Check (CRC)

KSYSA coaches are required to complete a Criminal Record Check every 5 years. This process is FREE! Please complete your Criminal Record Check and enter the following code (unique to KSYSA): PGGVD4HXZ7

Step Two

Online Module

Obtain your keycode from Brian at ksysacoach1@gmail.com and register for the Grassroots Coach Program

Step Three

Practical Workshop

Once you have completed your online training (Grassroots Coach Program), please register for your on field session.

Overview

Coaching is a very fulfilling way to mentor young people and connect with your community.

With new standards laid out by Canada Soccer, all coaches are required to complete a certification program designed for the age of the players they are coaching.

This program is provided through Canada Soccer and involves two parts - the online theory component (2-3 hrs) and the on-field practical component (2-4 hrs).

KSYSA covers all costs associated with this education!

Refereeing

Refereeing is an essential part of the game, and like Coaches and Players, Referees are athletes developing their craft. Pursuing a Referee career has provided many individuals with incredible working environments, world travel, and unique, transferable skillsets, including self-discipline, conflict management and resolution skills, multitasking and people management skills.
